

College Issues Forum Proposal

Proposal Number: (assigned by conference staff)

Author: (Participant Name, Institution)

Title: (Briefly state the basic action of the proposal)

Major Areas to be Affected: (List the key entities that would be affected by this proposal)

Justification: (In paragraph form, tell why there is a need for your proposal. Include any supportive information, statistics, quotes, etc., you feel necessary. Do not include all of your facts. You will have an opportunity to present your ideas during the debate)

Proposal for Action: (State your proposal. You are not writing legislation, rather, a broad proposal. You may use outline form or paragraph form.)

Results to be expected: (Simply state the result you expect to see after your proposal is put into action)
