2007 DELEGATION GRANT APPLICATION

Overview

Missouri YMCA Youth In Government received a grant from the Hatton W. Sumners Foundation for 2007. This grant allows us to offer financial assistance to not only individual students, but also entire delegations. These funds can be used to assist the delegation with transportation, meals, program fees, and other expenses related to the program.

This grant application is due to the State Office by mail or email (khussey@jcymca.org) by September 19, 2007. Applications received after this date will be considered only if funding remains. Decisions will be made by October 1, 2007 and delegation advisors will be notified.
